MORE

When you've been in the salsa business for over 70 years, some things are bound to change. But, thankfully, others have remained the same. Much like namesake founder David Pace fine-tuned his original picante sauce recipe to perfection, Pace Foods has figured out the most flavorful mix of tradition and innovation. This signature picante sauce has a mild heat, making it a versatile pantry staple. Top chicken or beef tacos or mix with your refried beans and rice for easy way to add extra flavor. For a do-it-yourself nacho bar, offer protein options, cheese, guacamole, sour cream and picante sauce. It's a great option for large catered parties. Our sauces are a healthy way to add a little something extra not only to Mexican and Southwestern recipes, but also to eggs, soups, salad dressings and more. Because we're passionate about picante, Pace Picante Sauce adds a kick of flavor that never disappoints.
